## Code Check Southeast 2013 Conference Guidelines/Rules:

- **Name Tags:** Each attendee will be provided with a nametag that also displays the days the attendee has registered to attend. Each attendee and Sponsor is required to wear the nametag at all times.
- **Time Management:** Since the conference Agenda is very broad and covers a huge volume of material; it is important that we follow the times specified as closely as possible. Our presenters will monitor their progress in covering the material and limit questions accordingly. Scheduled Breaks are incorporated into the agenda and are planned for your comfort. Please be courteous to our speakers and be back in your seat before the time the next Session is to start. (Also, due to time constraints and consideration of our PAID Sponsors -- no impromptu speakers, commercial announcements, etc. will be allowed unless specifically authorized by GAHI in advance. Anyone attempting to make an unauthorized announcement may be asked to leave the conference.)
- **Door prize Drawings:** A valuable door prize will be given away to the lucky ticket holder after each of the 6 scheduled afternoon breaks. Blue tickets will be used for these drawings and the ticket holder must be present back in the room in their seat to be eligible to win. Once a ticket has won a prize it will be removed from future drawings.
- **\$500 Cash Prize Drawing:** A separate ticket for those who registered prior to midnight 1-26-13 will be used for this drawing. The drawing will be held at the end of Session Eleven on Saturday, February 9<sup>th</sup>. Ticket holders must be present to win.
- **Restrooms:** Restrooms are across the Hall near the entry doors to the Emory Amphitheater
- **Cell Phones:** Please set your cell phone to **SILENT MODE** or turn it OFF while you are attending the conference. If you answer a phone call – so that you do not distract our speakers or disturb other attendees -- please do not begin your conversation until you are in the Hall outside the amphitheater classroom.
- **Questions for a Speaker/Presenter:** Each speaker/presenter will control when and how many questions will be permitted so that adequate time can be allowed to cover the agenda material. A floor stand mic will be provided for each of the two isles and attendees will be asked to leave their seat and walk up to the mic before asking their question. This allows the person asking the question time to best formulate their question AND it allows the question to be amplified so that the rest of the attendees can hear the question (and time not be wasted to repeat the question).
- **Break Area and Snacks:** The Break and Snack area will be down the Hall near the Emory Amphitheater. Drinks and snacks are complementary and included at no charge to all attendees. Please help yourself and enjoy.
- **Lunch:** An all-you-can-eat lunch buffet will be provided each day in the Garden Level Dining Room from 12:45 until 1:45 PM. *Please be back in your seat SHARPLY by 1:45 PM.*
- **Sponsor Showcase:** In appreciation of the support from our sponsors GAHI has invited each Sponsor to speak to the entire group for 15-minutes in the 1:45 PM Sponsor Showcase each day. Since our Sponsors have paid for this time, please be courteous and considerate and be back in your seats by 1:45 PM ready to listen. Also, we thank each Sponsor for understanding that our agenda is very full for this year's conference and Sponsor speaking times must be limited to a maximum of 15-minutes.
- **Distribution of Documents and Marketing Materials:** In consideration of our PAID Sponsors - the distribution of documents and/or marketing type materials by anyone other than GAHI or our Sponsors is not supported or sanctioned by GAHI and is strictly prohibited. (Anyone attempting to distribute unauthorized material may be asked to leave the conference.)
- **Session Attendance Sheets and CEU Certificates:** A Session Attendance Sheet is required by several state licensing authorities in order for attendees to verify their attendance. Thank you for your cooperation in filling out each attendance sheet and for your understanding that you must complete each Session Attendance Sheet to receive a CEU certificate. CEU certificates will be provided to each attendee via e-mail by not later than February 20<sup>th</sup>. (If you registered late or were a walk-in at the door – please confirm that GAHI has your correct e-mail address on file.)
